2020 BESPOKE RALLIES 2020

THE PYRENEES 1000

1,000 KMS IN 4 DAYS

MAY 13 TO 16, 2020

PAMPLONA - VIELHA - PAU - PAMPLONA

The Pyrenees 1000 is a competitive event through the Pyrenees mountain range, as its name suggests, and takes advantage of some great roads and passes that are seldom used. The event starts and finishes in the beautiful town of Pamplona in northern Spain. It is a 1,000km drive through some of the most stunning mountain scenery in Europe.

The Pyrenees 1000 is a four day event ideal for all levels of experience from the novice to the most expert crews who want to brush up on their skills in beautiful surroundings or shake down their car for a longer event. For the novice it's a great introduction to historic regularity rallies in Europe.

Starting and finishing in Pamplona the rally winds its way through the foothills of the Pyrenees before stopping in Vielha for a night.

With emphasis on fun, the competition will be on quiet roads to avoid upsetting the locals, and making it more interesting for the navigator. There is no night time driving and most of the route and competition will be on tarmac, although we will find the occasional gravel road. For those who want a more relaxed drive we have a Touring Class as well.

THE SCHEDULE

Participants arrive on Wednesday for scrutineering and paperwork.
Late arrivals can scrutineer the next morning before the start. The rally gets underway on Thursday and finishes on Saturday evening.

With plenty of daylight hours at this time of year there is no night driving. Navigation will be by Tulip roadbook and maps, with some interesting tests thrown in. There will be stops for morning coffee, lunch and afternoon tea. On Friday we drive the Southern Pyrenees to Vielha. On Saturday there will be an early start to drive the northern side of the Pyrenees and follow the foothills to near Pau. On Sunday, we cross the Pyrenees for a great finish in the main square in Pamplona.

BESPOKE RALLIES

We organise great rallies and tours around the world, sometimes with your own car and sometimes we are able to provide 4x4s. It all depends on what will give you the best experience. The events range from tours, often in far flung places such as Central America and Madagascar, to Enduro events where getting to the end is the aim. We also run competitive events such as our four day rallies in the Pyrenees and Scotland to our month long Grand Prix of South America.

Austrian ADVENTURE

We are there for you. We always have mechanical back up and where necessary we provide medical assistance too. Our dedicated team of professionals, with vast experience of these demanding events, are always on hand to help you. We pride ourselves on great and cheerful service. We do our best to get every car to the end. When occasionally this is not possible we will help make all necessary arrangements for your vehicle and for you to accompany the event to the finish.
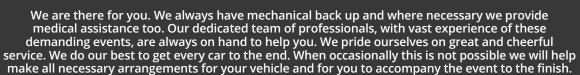

WHAT'S SO SPECIAL ABOUT BESPOKE RALLIES

We are friendly people who care about your rally. We have been organising rallies since 1999 and have pioneered events in South East Asia where we were the first to open up Vietnam, Laos and Cambodia. We did the same in Bhutan and Cuba. Where we trailblaze others follow.

We are innovative and always look for the places you might never have thought of going, such as Madagascar. We innovate with technology to give you a better rally experience. We even find better ways to rally – such as using the Hurtigruten ships as your floating hotel on our Slartibartfast Rally and Imperial Rally.

WHAT OUR PARTICIPANTS SAY

Exciting driving through crowed towns and off-road tracks. Top off with the best available accommodation, a great variety of food each night and the company of the like-minded Rally Family.
